World War II, the most desperate struggle ever endured by mankind, changed the world forever and those who fought in its battles. Sergeant Robert Heatley, a U.S. Army infantryman, put pen to paper recording history as it was made. *Breathes There A Soldier*, the compilation of his journals, brings to life the experiences, both humorous and horrific, of an American soldier in the Pacific Theater. From the grind of combat training, to the agony of the battlefield, Sergeant Heatley's first person account of the 81st Infantry Division in World War II is a welcome addition to the genre of the U.S. Army's contribution to American history.
