Public and Private Families: An Introduction By Andrew Cherlin

As the title suggests, *Public and Private Families: An Introduction*, seventh edition, discusses the family in two senses: the private family, in which we live most of our personal lives, and the public family, in which we, as adults, deal with broader societal issues such as the care of the frail elderly, the increase in divorce, and childbearing outside of marriage. The book examines intimate personal concerns, such as whether to marry, as well as societal concerns, such as governmental policies that affect families. Distinctive chapters examine contemporary issues such as income assistance to poor families, the effects of out-of-home childcare, and the costs of Social Security and Medicare programs.

A companion reader to this textbook, *Public and Private Families: A Reader*, seventh edition, with 14 same-named chapters, has 34 readings from both the popular press and academic journals.

Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Editorial Review

About the Author

Andrew J. Cherlin is Benjamin H. Griswold III Professor of Public Policy and Sociology at Johns Hopkins University. He received a B.S. from Yale University in 1970 and a Ph.D. in sociology from the University of California at Los Angeles in 1976. He is the author of the McGraw-Hill textbook, *Public and Private Families: An Introduction*. His other books include *Marriage, Divorce, Remarriage* (revised and enlarged edition, 1992), *Divided Families: What Happens to Children when Parents Part* (with Frank F. Furstenberg, Jr., 1991), *The Changing American Family and Public Policy* (1988), and *The New American Grandparent: A Place in the Family, A Life Apart* (with Frank F. Furstenberg, Jr., 1986). In 1989-1990 he was chair of the Family Section of the American Sociological Association. In 1999 he was president of the Population Association of America, the scholarly organization for demographic research.

In 2005, Professor Cherlin was awarded a John Simon Guggenheim Memorial Foundation Fellowship. He received the Distinguished Career Award in 2003 from the Family Section of the American Sociological Association. In 2001, he received the Olivia S. Nordberg Award for Excellence in Writing in the Population Sciences; and in 1999, he was President of the Population Association of America. He was also received a Merit Award from the National Institute of Child Health and Human Development for his research on the effects of family structure on children. His recent articles include "The Deinstitutionalization of American Marriage," in the *Journal of Marriage and Family*; "The Influence of Physical and Sexual Abuse on Marriage and Cohabitation," in the *American Sociological Review*; and "American Marriage in the Early Twenty-First Century," in *The Future of Children*.

He also has written many articles for *The New York Times*, *The Washington Post*, *The Nation*, *Newsweek*, and other periodicals. He has been interviewed on ABC News *Nightline*, the *Today Show*, network evening news programs, National Public Radio's *All Things Considered*, and other news programs and documentaries.

Users Review

From reader reviews:

Dolores Rawson:

What do you in relation to book? It is not important along with you? Or just adding material when you require something to explain what the ones you have problem? How about your time? Or are you busy person? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have spare time? What did you do? Everybody has many questions above. They need to answer that question because just their can do that will. It said that about book. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this specific *Public and Private Families: An Introduction* to read.

Kathleen Blackwood:

A lot of people always spent all their free time to vacation or go to the outside with them household or their friend. Were you aware? Many a lot of people spent that they free time just watching TV, or perhaps playing

video games all day long. If you wish to try to find a new activity here is look different you can read a book. It is really fun for yourself. If you enjoy the book which you read you can spent the entire day to reading a reserve. The book Public and Private Families: An Introduction it doesn't matter what good to read. There are a lot of people who recommended this book. These were enjoying reading this book. If you did not have enough space to deliver this book you can buy the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not very costly but this book has high quality.

Joseph Myrick:

Reading can called imagination hangout, why? Because when you are reading a book mainly book entitled Public and Private Families: An Introduction your brain will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely will become your mind friends. Imaging just about every word written in a publication then become one form conclusion and explanation which maybe you never get prior to. The Public and Private Families: An Introduction giving you one more experience more than blown away your thoughts but also giving you useful data for your better life within this era. So now let us present to you the relaxing pattern the following is your body and mind will probably be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Brandon Giles:

Beside this kind of Public and Private Families: An Introduction in your phone, it can give you a way to get closer to the new knowledge or data. The information and the knowledge you will got here is fresh from your oven so don't become worry if you feel like an older people live in narrow small town. It is good thing to have Public and Private Families: An Introduction because this book offers to your account readable information. Do you oftentimes have book but you rarely get what it's interesting features of. Oh come on, that would not happen if you have this in the hand. The Enjoyable agreement here cannot be questionable, just like treasuring beautiful island. Use you still want to miss that? Find this book and read it from currently!
