#### About the Author

#### 3dtotal Publishing

3dtotal was founded in 1999 as a simple 3D resource website. Over the last decade the site has evolved into one of the premier CG art websites in the world, offering a variety of training products, an inspirational gallery, a free texture library and hundreds of free tutorials on a variety of subjects.

In 2006, 3dtotal entered into partnership with Focal Press and launched the popular book series *Digital Art Masters* and *Digital Painting Techniques*. The premise for these books was to provide high quality content that would inspire and educate the next generation of digital artists.
