Textbook on International Law: Seventh Edition By Martin Dixon

The seventh edition of *Textbook on International Law* offers students new to the subject, a concise and focused introduction to the essential topics of an international law course from the nature and sources of international law to the use of force and human rights. Dixon guides students through the legal principles and areas of controversy, bringing the subject to life with the use of topical examples to illustrate key concepts. The book incorporates helpful features including a glossary, chapter summaries and further reading.

The seventh edition includes further discussion of topical areas such as international human rights law and international criminal law. It features a new chapter focusing explicitly on international criminal law.

Online Resource Centre

The book is complemented by a website providing updates on case law and legislative developments, as well as annotated links to relevant websites.
