The 3 Biggest Problems in the Body of Christ and How to Solve Them By Willie Robison

The greatest force on the face of the earth is the body of Christ; but as global and positively impacting as she is, there are three major issues that have plagued her since her inception. Every born again believer has at one time or another encountered all three of these spiritual termites that erode their relationship with God, especially, in the initial stages of their Christianity. Pastor Willie Robison teaches why Christians knowingly yield to temptation; repeat sin cycles of their former life style, hop from church to church when they don't get their way and why many of them die and never come into the call of God on their lives; and so much more. He explains how you can break free once and for all from the satanic stranglehold of, The Three Biggest Problems in the Body of Christ. Willie Robison is the Pastor of Word Life Ministries International Church, in Memphis, Tennessee. A word based, Spirit filled non-denominational church that effectively teaches the uncompromised word of faith. His vision is to teach, train and educate the believer in the word and reach all colors of people, including Japan and the Japanese people. He graduated from Rhema Bible Training Center in May of 1985 and worked several years at Kenneth Hagin Ministries as a tour guide and in the prayer-counseling department during their annual camp meetings and is a former member of Church on the Move in Tulsa, Oklahoma, under the leadership of Pastor Willie George. He is an F.A.A. licensed commercial pilot, with instrument and flight and ground instructor ratings and has flown for a living. The thrust of his anointing is to provide knowledge and understanding of biblical principles that will change lives for the better.
