The Memoirs of Chief Justice Earl Warren By Earl Warren

Earl Warren headed the Supreme Court during the turbulent years of the Civil Rights era, deciding on many landmark cases and contributing to the society in which we live today, including "Brown v. Board of Education", "Mapp v. Ohio", and "Miranda v. Arizona." A Republican who eschewed the party line to support many centrist and liberal decisions, Warren's views were often surprising and controversial, informed as they were by his personal sense of fairness rather than politics. In his *Memoirs*, Warren recounts his years as a district attorney and attorney general in San Francisco, and his three terms as California's governor. Writing of his years as a Justice of the Supreme Court, Warren reveals Eisenhower's anger at him for being soft on Communism during the McCarthy era, and a run-in with Attorney General John Mitchell and the Nixon Department of Justice, who attempted to discretely influence a Supreme Court decision.

Editorial Review

From Library Journal

"Candor and integrity, rather than brilliance, were the hallmark of Warren's public career, and the same is true of his memoirs," said LJ's reviewer of this volume. He also found the book uneven, with Warren's time as California governor and especially as a district attorney "interesting" reading while his term as chief justice and work on the Warren Commission "laconic and thoroughly unsatisfying" (LJ 5/1/77).

Review

[Warren's] style is simple and direct, garnished with political and personal anecdotes that are outspoken but not malicious. His own attractive qualities include a keen sense of honor, the gift of getting to the heart of complex issues, and a sense of humor. These add up to a book of considerable eminence. (*The New Yorker*)

Much has been written about the 'Warren Court' and its chief justice. But these memoirs provide valuable new insight, not only into the workings of the court but, more important, into the upbringing and early career which molded Earl Warren the jurist. (*Christian Science Monitor*)

Candor and integrity were the hallmarks of Warren's public career, and the same is true of his memoirs.... Most interesting. (*Library Journal*)

About the Author

Earl Warren (1891-1974) was elected Governor of California three times and served as a Justice on the Supreme Court from 1953-1969. His other works include *A Republic, If You Can Keep It*.

Users Review

From reader reviews:

Cameron Keller:

The book The Memoirs of Chief Justice Earl Warren can give more knowledge and information about everything you want. So just why must we leave the best thing like a book The Memoirs of Chief Justice Earl Warren? Several of you have a different opinion about book. But one aim that book can give many data for us. It is absolutely right. Right now, try to closer with your book. Knowledge or data that you take for that, you may give for each other; you can share all of these. Book The Memoirs of Chief Justice Earl Warren has simple shape however, you know: it has great and large function for you. You can look the enormous world by open up and read a reserve. So it is very wonderful.

Rose Villegas:

As people who live in the particular modest era should be update about what going on or information even knowledge to make all of them keep up with the era that is always change and advance. Some of you maybe can update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know what type you should start with. This The Memoirs of Chief Justice Earl Warren is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in

this era.

Allen Mullinax:
