## The New York Times: Front Pages, 1851-2016 By James Barron

An impressive hardbound book that transports you through history. Inside the front cover is a magnifier in a plastic pocket. The pages are in black and white and then at page 294 (Apollo 8) color photos are also included and continue through to the end. This is a unique coffee table book for your family or a thoughtful gift for news junkies, students, retirees, history buffs, or anyone who enjoys reading about what was happening in the past through the eyes of the New York Times reporters. Not every front page is included, however, the large selection contained in this wonderful book provides more than enough reading for your enjoyment.
