The Oxford Handbook of Management Theorists (Oxford Handbooks) From Oxford University Press

Concurrent with the increasing complexity of the field of management, the need to re-examine the foundations from which its theories have advanced has become ever more important and useful. The Oxford Handbook of Management Theorists examines and evaluates the contributions that seminal figures, past and present, have made to the theory of management by providing in-depth, up-to-date, and detailed scholarly analysis of their ideas and influence.

Chapters by leading management and management history scholars explore the origins of each thinker or school of thought and their ideas, and discuss the significance and influence in a broader framework. The Handbook contextualises each theorist and their theories, analysing their actions, interactions, and re-actions to contemporary events and to each other. It is arranged in three parts: pioneers of management thinking from Frederick Taylor to Chester Barnard; post-war theorists, such as the Tavistock Institute and Edith Penrose; and the later phase of Business School theorists, including Alfred Chandler, Michael Porter, and Ikujiro Nonaka.

This book will be essential reading for anyone interested in how and why management ideas have emerged, and the ways in which they are currently developing and will evolve in the future.

Editorial Review

Review

"Editors Witzel and Warner, well-published UK academics, are admirably suited to compile this readable, informative handbook covering seminal 19th-21st-century management theorists. Contributors include global scholars, notable authors, and consultants, whose fields range from management science and engineering to industrial competitiveness and neurology. Rigorous inclusion criteria were employed in selecting theorists. Highly recommended." -E. J. Wood, Bowling Green State University, *CHOICE*

About the Author

Morgen Witzel, *Centre for Leadership Studies, University of Exeter Business School, Fellow*, Malcolm Warner, *Professor and Fellow Emeritus, Wolfson College, and Judge Business School, University Of Cambridge*

Morgen Witzel is a well-known writer and lecturer on management, and one of the world's leading management historians. He is the author of eighteen books on management history, which have been translated into nine languages, and an extensive number of articles, essays, and reviews for various publications. He is currently a Fellow of the Centre for Leadership Studies at the University of Exeter Business School.

Malcolm Warner is a retired academic based in Cambridge and London. He is the author of over fifty books on management, many of which have been translated, and many articles, essays, and reviews on the subject. He has been the Editor-in-Chief of the International Encyclopedia of Business and Management: vols.1-8 (London: Thomson Learning, 2nd edition, 2002). He is also Co-Editor of the Asia Pacific Business Review. He has, in addition, been a frequent Visiting Academic at many campuses and business schools across the world. He is currently Professor and Fellow Emeritus, Wolfson College, Cambridge and the Judge Business School, University of Cambridge.

Users Review

From reader reviews:

Tammi Rosado:

Here thing why this The Oxford Handbook of Management Theorists (Oxford Handbooks) are different and reliable to be yours. First of all reading a book is good but it really depends in the content from it which is the content is as yummy as food or not. The Oxford Handbook of Management Theorists (Oxford Handbooks) giving you information deeper and different ways, you can find any book out there but there is no publication that similar with The Oxford Handbook of Management Theorists (Oxford Handbooks). It gives you thrill reading through journey, its open up your personal eyes about the thing that will happen in

the world which is possibly can be happened around you. You can easily bring everywhere like in area, café, or even in your technique home by train. In case you are having difficulties in bringing the printed book maybe the form of The Oxford Handbook of Management Theorists (Oxford Handbooks) in e-book can be your alternate.

Nicholas Mishler:

Reading can called thoughts hangout, why? Because if you are reading a book mainly book entitled The Oxford Handbook of Management Theorists (Oxford Handbooks) your brain will drift away trough every dimension, wandering in every aspect that maybe mysterious for but surely might be your mind friends. Imaging every word written in a e-book then become one contact form conclusion and explanation in which maybe you never get before. The The Oxford Handbook of Management Theorists (Oxford Handbooks) giving you an additional experience more than blown away your mind but also giving you useful information for your better life in this era. So now let us explain to you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished examining it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Judy Martinez:

In this time globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The actual book that recommended to your account is The Oxford Handbook of Management Theorists (Oxford Handbooks) this book consist a lot of the information from the condition of this world now. This specific book was represented how do the world has grown up. The language styles that writer require to explain it is easy to understand. The writer made some research when he makes this book. That is why this book appropriate all of you.

Bonnie Pace:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Oxford Handbook of Management Theorists (Oxford Handbooks) can make you feel more interested to read.
