The birds, the bees, the flowers and the...TREES! *How do trees grow? Why do leaves change? What kind of tree is that?* The acclaimed Brooklyn Botanic Garden's guide answers all kids' (and their parents') tree-related questions in an easy-to-understand way. It features 33 different trees that grow in North America, from rural Georgia to the streets of New York City to the California suburbs. Each profile includes a beautiful botanical watercolor illustration by author Gina Ingoglia showing the tree as it appears in a particular season, as well as life-size depictions of its leaf, flower, and seed. Readers of all ages will be in awe over the wonderful world of trees.
