Walking Across Egypt By Clyde Edgerton

"An unpretentious, finely-crafted novel that will linger with the readers like the last strains of a favorite hymn. It is more enjoyable than a pitcher full of sweet tea and one of Mattie's home-cooked dinners."

THE ATLANTA JOURNAL & CONSTITUTION

She had as much business keeping a stray dog as she had walking across Egypt--which not so incidentally is the title of her favorite hymn. She's Mattie Rigsbee, an independent, strong-minded senior citizen, who at 78, might be slowing down just a bit. When young, delinquent Wesley Benfield drops in on her life, he is even less likely a companion than the stray dog. But, of course, the dog never tasted her mouth-watering pound cake....Wise witty, down-home and real, WALKING ACROSS EGYPT is a book for everyone.

Editorial Review

From School Library Journal

YA A quietly humorous story set in a small town in North Carolina. Seventy-eight year old Mattie Riggsbee, spunky and determined, has one regret: she has no grandchildren, as her son and daughter inconveniently remain unmarried. The story gathers momentum after a slightly sluggish start, when Wesley Benfield, wayward teenager and orphan, comes into Mattie's life. Their need for each other is apparent, and their attempts to get together, despite the disapproval of Mattie's family and neighbors, are the focus of the story. Wesley is captivated by Mattie's good cooking and grandmotherly attention, and when he escapes from a house of detention, he heads straight to Mattie. There is a hilarious scene in church, where the fleeing Wesley and the pursuing deputy sheriff, both disguised as choir members, sit beside each other in full view of the congregation. Edgerton infuses all of his characters with reality, and provides a balanced perspective on age and youth. His understanding of teenagers is nowhere more evident than in the contrast between the reality of Wesley's situation and the humor of his exaggerated fantasies. Rita G. From Library Journal

This second novel by the author of *Raney* is warm and comforting, like a visit to Grandma's. Mattie Riggsbee, at 78, is slowing down. She plans her funeral so as not to be a burden; she supports the local Baptist church and entertains herself with hymns at the parlor piano; she tries not to meddle in her children's lives, though she does wish they'd marry; she longs for grandchildren. Then comes Wesley. Reared in an orphanage until he graduated to the reformatory, Wesley touches her heart, revives a life gone to seed. Just as he needs a grandmother's love and stability, so Mattie needs his challenge, dependence, and love. How she reconciles that need before family, neighbors, and church congregation is a beautiful story of determination, made more poignant by a Southern small-town setting. BOMC alternate. Thomas L.
