Air Raid--Pearl Harbor!: The Story of December 7, 1941 By Theodore Taylor

On December 7, 1941, Americans were stunned to learn that Japanese forces had launched an attack on Pearl Harbor. In this engrossing and extensively researched account, Theodore Taylor examines both sides of the battle, taking a close look at the events leading up to it and providing compelling insight into the motives and operations of the brave men and women swept up in the fight.

Editorial Review

From School Library Journal

Grade 5-8-- An old standard of the World War II genre makes a new appearance with a slight face-lift. Taylor has revised his account of the attack on Pearl Harbor by basically rewriting the first chapter and changing the entire volume from the present tense to a much easier-to-read past tense. Now in paperback, the typeset is a little smaller. The charcoal illustrations of the earlier edition (HarperCollins, 1971; o.p.) have been replaced by three black-and-white maps. The text gives an in-depth look at the conditions of the time, allowing readers to better understand why this event took place. A listing of the key figures and an author's note are appended. Libraries that do not have the original title should give definite consideration to this one.
