Harriet the Spy By Louise Fitzhugh

Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands. Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will Harriet find a way to put her life and her friendships back together?

Editorial Review

Amazon.com Review

Ages 8-12. Thirty-two years before it was made into a movie, *Harriet the Spy* was a groundbreaking book: its unflinchingly honest portrayal of childhood problems and emotions changed children's literature forever. Happily, it has neither dated nor become obsolete and remains one of the best children's novels ever written. The fascinating story is about an intensely curious and intelligent girl, who literally spies on people and writes about them in her secret notebook, trying to make sense of life's absurdities. When her classmates find her notebook and read her painfully blunt comments about them, Harriet finds herself a lonely outcast. Fitzhugh's writing is astonishingly vivid, real and engaging, and Harriet, by no means a typical, loveable heroine, is one of literature's most unforgettable characters. *School Library Journal* wrote, "a tour de force... bursts with life." The Bulletin of the Center for Children's Books called it "a very, very funny story." And *The Chicago Tribune* raved, "brilliantly written... a superb portrait of an extraordinary child."

Review

A New York Public Library's 100 Great Children's Books 100 Years selection

"This is the book that made me want to be a writer. [Harriet] was the first fictional female character I ever came across who privileged her own truth above the expectations put on her as a little girl." —**Anna Holmes** for Bookish.com

"I don't know of a better novel about the costs and rewards of being a truth teller, nor of any book that made more readers of my generation want to become fiction writers. I love the story of Harriet so much I feel as if I lived it." —**Jonathan Franzen**, author of *Freedom* and *The Corrections*

"*Harriet the Spy* bursts with life."—*School Library Journal*

"The characterizations are marvelously shrewd."—*The Bulletin*

From the Inside Flap

Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands. Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will Harriet find a way to put her life and her friendships back together?

From reader reviews:

Katie Doll:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each reserve has different aim or perhaps goal; it means that e-book has different type. Some people truly feel enjoy to spend their time to read a book. These are reading whatever they consider because their hobby is usually reading a book. Consider the person who don't like studying a book? Sometime, man feel need book after they found difficult problem as well as exercise. Well, probably you should have this *Harriet the Spy*.

Ryan Barrett:

What do you ponder on book? It is just for students since they're still students or the item for all people in the world, exactly what the best subject for that? Just simply you can be answered for that issue above. Every person has distinct personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book *Harriet the Spy*. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Michael Castillo:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make these keep up with the era which is always change and move ahead. Some of you maybe can update themselves by studying books. It is a good choice in your case but the problems coming to you actually is you don't know what type you should start with. This *Harriet the Spy* is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Mary Bessler:

Is it anyone who having spare time in that case spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This *Harriet the Spy* can be the answer, oh how comes? A fresh book you know. You are thus out of date, spending your spare time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?
