La bandera mexicana/ The Mexican Flag: Breve historia de su formacion y simbolismo (Coleccion Popular) (Spanish Edition) By Enrique Florescano

Los paises suelen tener una bandera que representa la unidad, la independencia o los valores nacionales mas estimados. Lo distintivo de la bandera mexicana es que en su hechura participaron tres tradiciones diferentes: la indigena, la herencia religiosa hispanica y colonial, y la tradicion liberal. Florescano presenta una nueva interpretacion de la alquimia historica que unio las diferentes tradiciones y creo un simbolismo nacional mestizo.
