May the Best Man Die (Carnegie Kincaid, Book 3) By Deborah Donnelly

You are cordially invited. . . . Don't miss amateur detective Carnegie Kincaid, expert in all things matrimony and murder, in the Hallmark original movie *Wedding Planner Mystery* on Hallmark Movies & Mysteries!

A KILLER BACHELOR PARTY

Carnegie Kincaid plans weddings, not stag parties. When a client asks Carnegie to manage a pre-wedding blow-out—complete with a stripper—she tactfully refuses the job. So why is Carnegie peering through binoculars across the Seattle Ship Canal, watching a shapely Santa Claus turn naked inside a hip dockside bistro? Because her own significant other—with whom she is having some significant differences—is at the party too. And, so it turns out, is a killer. When the body of the groom's best man is pulled from the canal the next day, critical questions arise. What did Carnegie really see through her binoculars? More important: What will she tell the police she saw? As a wedding planner, Carnegie has her connections to maintain, and before she points Seattle's finest to some possibly innocent suspects, she'll look into the crime herself. But while Carnegie is snooping around, word of a witness has gotten out—and now a killer is watching her.

Editorial Review

From Publishers Weekly

A bubbly blend of farcical humor and madcap mystery, Donnelly's newest (after *Died to Match*) finds Seattle wedding planner Carnegie Kincaid in the midst of chaos once again. After being exiled from her dry-rotted houseboat, Carnegie's life plummets from bad to worse when her business partner mysteriously departs, her best friend stops speaking to her and her boyfriend tells her he's married. Her professional life peaks and dives as well, one of the low points being when a flamboyant Frenchman humiliates her on live TV while luring her customers away. Then, to make matters worse, the best man in her latest wedding turns up dead, transforming a cushy assignment to plan a celebrity wedding into a race to catch a killer before he/she picks off the rest of the bridal party. Many of the characters that have made Donnelly's *Wedding Planner* series so endearing are absent here--no Boris the Mad Russian Florist or Juice, cake creator extraordinaire. But the book's nonstop action and judiciously doled out clues will keep both romance and mystery lovers riveted until the Dickensian denouement.
