Siren By Delle Jacobs

For seventeen years, John Wall has sailed the seas, braving storms and pirates to bring his cargo safely into port. Sometimes he sees the Siren and hears her clarion voice above the crashing waves: "Come to me, John Wall. Come to me."

But the Siren's song is death, so John resists its lure--until the night he meets the King of Storms. Masts shattered, sheets ripped and sails torn, his men gone, John clings fiercely to the wreckage, defying death. And the Siren comes for him. "Come to me," her sweet voice sings.

Their lips locked in a kiss, John Wall slips beneath the sea. What has he found? Heaven? Hell? Or something beyond his wildest imagination?
Novella, 24,000 words.

Editorial Review

Users Review

From reader reviews:

Thomas Britton:

Book is written, printed, or highlighted for everything. You can learn everything you want by a book. Book has a different type. As we know that book is important point to bring us around the world. Beside that you can your reading ability was fluently. A book Siren will make you to be smarter. You can feel far more confidence if you can know about everything. But some of you think in which open or reading the book make you bored. It is not make you fun. Why they may be thought like that? Have you searching for best book or appropriate book with you?

Gladys James:

What do you consider book? It is just for students since they're still students or it for all people in the world, exactly what the best subject for that? Merely you can be answered for that problem above. Every person has diverse personality and hobby for each other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Siren. All type of book are you able to see on many options. You can look for the internet sources or other social media.

Jennifer Games:

Reading can called thoughts hangout, why? Because when you are reading a book particularly book entitled Siren your mind will drift away trough every dimension, wandering in each aspect that maybe unidentified for but surely can be your mind friends. Imaging each and every word written in a guide then become one form conclusion and explanation this maybe you never get previous to. The Siren giving you a different experience more than blown away your head but also giving you useful information for your better life with this era. So now let us teach you the relaxing pattern is your body and mind is going to be pleased when you are finished reading through it, like winning a game. Do you want to try this extraordinary wasting spare time activity?

Leonard Bartow:

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you just dont know the inside because don't determine book by its include may doesn't work at this point is difficult job because you are scared that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer may be Siren why because the great cover that make you consider regarding the content will not disappoint an individual. The inside or content is fantastic as the outside or perhaps cover. Your reading 6th sense will directly guide you to pick up this book.
