Editorial Review

From School Library Journal

Grade 5-7—This sequel to *Varjak Paw* (Random, 2003) continues the story of a cat with ninjalike powers taught to him by an ancestor while he dreams. Varjak is now living in the city with his feline friends, Holly and Tam, and canine friend, Cludge. Evil Sally Bones is starting to invade the neutral places in the city with her clan of cat warriors. She is more adept at using the Seven Skills than Varjak and can see into his mind at times. He wishes to lead a peaceful life, but he is drawn into the fight against Sally Bones when she takes a kitten hostage. Like the first book, this one continues with the wisdom and learning of Eastern philosophy. It is fast paced with vivid battle scenes that make it impossible to put down. The society that Said has created with his warrior cats is both realistic and fantastic. The unique combination of animal tale and martial arts is a winning one.—*Tasha Saecker, Caestecker Public Library, Green Lake, WI*

Gr. 4-6. Varjak Paw, the feline martial arts marvel, returns in this action-packed, fast-paced sequel. Now a master of the Seven Skills of the Way of Jalal, which endowed Varjak with great powers, including the ability to walk unseen, he now lives as a free-roaming alley cat with feline companions Holly and Tam and a dog named Cludge. Freedom becomes a thing of the past for the cats in the city when one-eyed Sally Bones, more skilled in the Way than Varjak, uses her gang of thugs to bully others and demand mice, fish, and other payments. It is up to Varjak to battle the villains heroically and save the city. The cat-on-cat violence is bloody and vividly depicted in the stark drawings, although the descriptions of the martial-arts moves sound more human than feline. This exciting sequel will not disappoint fans and should win some new ones. *Ed Sullivan*
