Introducing American Religion (World Religions) By Charles H. Lippy

Introducing American Religion provides a lively and concise overview of the historical development of religion in the USA. In four parts, Charles Lippy traces the history of American religion from Europe, Native American and African life, through to the age of independence, and on to the late twentieth century up to the present day.

The narrative lays particular stress on the development of diversity and pluralism in American religious life. It explores the African American experience through slavery, Roman Catholic and Jewish immigration, political and economic factors, the impact of Latino culture, and the growth of Hinduism and Buddhism, as well as the concept of American civil religion. *Introducing American Religion* is ideal reading for students wishing to develop a broad understanding of American religious history. Illustrated throughout and featuring quotations from original sources, it includes text boxes, summary charts, study questions, a glossary and lists of further reading and weblinks to aid students with revision.

The accompanying website for this book can be found at **www.routledge.com/textbooks/9780415448598**. Features of the website include a hyperlinked and annotated primary source bibliography (of primary sources named in the book and accompanying page numbers), a list of online audiovisual resources, test questions, a study skills section, PowerPoints on key chapters, additional images, tables and charts of statistics on American religion, links to online libraries and archives, a regularly updated blog.

Editorial Review

Review

'From colonization to post-modernity, Lippy provides an eminently reliable and readable guide to the vibrant diversity of religion in America. Well-chosen images and key documents bring readers even further into the story.' - *David R. Bains, Samford University, USA*

About the Author

Charles Lippy holds the LeRoy A. Martin Distinguished Professorship of Religious Studies at the University of Tennessee, Chattanooga. His previous publications include: *Modern American Popular Religion; Being Religious, American Style*; and *The Evangelicals: A History, Themes, and Biographies*.

Users Review

From reader reviews:

Clyde Welch:

The reason? Because this Introducing American Religion (World Religions) is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content inside easier to understand, entertaining method but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your expertise and your critical thinking approach. So , still want to delay having that book? If I were you I will go to the guide store hurriedly.

Ronald Smith:

Can you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't determine book by its deal with may doesn't work at this point is difficult job because you are frightened that the inside maybe not while fantastic as in the outside seem likes. Maybe you answer may be Introducing American Religion (World Religions) why because the wonderful cover that make you consider about the content will not disappoint an individual. The inside or content will be fantastic as the outside as well as cover. Your reading sixth sense will directly direct you to pick up this book.

John Edwards:

Are you kind of hectic person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill even analytical thinking? Then you are having problem with the book than can satisfy your small amount of time to read it because pretty much everything time you only find publication that need

more time to be learn. Introducing American Religion (World Religions) can be your answer since it can be read by an individual who have those short free time problems.

Abigail Shelton:

Many people spending their time period by playing outside along with friends, fun activity along with family or just watching TV all day every day. You can have new activity to spend your whole day by studying a book. Ugh, ya think reading a book will surely hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Touch screen phone. Like Introducing American Religion (World Religions) which is finding the e-book version. So , try out this book? Let's notice.
