**McKettrick's Heart (McKettrick Men)** By Linda Lael Miller

Keegan McKettrick has learned the hard way that women can't be trusted. The only female in his life these days is the young daughter he sees all too rarely, and his sole passion is for his job overseeing his family's corporation. Until beautiful but mysterious Molly Shields comes to Indian Rock on a mission—and keeping a suspicious eye on her becomes Keegan's full-time hobby....

Molly doesn't know why she's attracted to a man who's determined to dig up dirt on her, even if he is gorgeous. But cynical Keegan might be the one person who can truly understand her shadowy past—and if the two can risk opening their hearts, they just might forge a brighter future.

## **Editorial Review**

From Publishers Weekly

In the third and final act of her contemporary McKettrick romances, Miller (*McKettrick's Pride*) is at her steamiest. Ladies' man Keegan McKettrick has sworn off love following his divorce, but saucy newcomer Molly Shields may just be the woman to change his mind—even if, at first, she stirs up only resentment. The "other woman" to Keegan's longtime friend Psyche Ryan, Molly conceived a child with Psyche's now-dead husband two years ago, and reluctantly turned the baby over to him and Psyche after the birth. Now, suffering from terminal cancer, Psyche asks Molly if she'll raise the toddler. Molly is overjoyed to be reunited with her son, but less than thrilled over Psyche's conditions: Molly must raise the child in Indian Rock, Ariz.—meaning the end of Molly's successful L.A. literary agency—and she must share parenting duties with the stubborn, forceful Keegan, who's convinced that Molly harbors sinister motives. The complex, conflicting dynamics in this artificially extended clan make for high drama, spiked with intense romance, as Keegan and Molly slowly break down each other's defenses. This should delight any fan of family-centric romance, and followers of the McKettricks will be pleased to find Miller corralling all the series' characters together and tying up all their loose ends with grace and conviction. In the third in Miller's McKettrick Men series, Keegan, divorced from his cheating wife, meets Molly Shields, a literary agent who gave up for adoption the son she had by a married man, when Psyche Ryan, the adoptive mother of Molly's son Lucas, summons Molly to Indian Rock, Arizona. Widowed Psyche has terminal cancer and wants Lucas to be raised in her home by his biological mother. Molly jumps at the chance. Keegan, Psyche's lifelong friend and executor of her estate, wants to raise Lucas and doesn't trust Molly, so he is appalled when Psyche imposes the requirement that Keegan and Molly marry. Love and blazing sex ensue in this satisfying romance. *Diana Tixier Herald*
