Sarah's Garden (A Patch of Heaven Novel) By Kelly Long

Quite by accident, Sarah King has fallen in love. But this love is forbidden, and could cost her everything she holds dear.

Tucked into the majesty of Pennsylvania's Allegheny Mountains is a garden Sarah King has been nurturing for years. She never feels more alive than when she is alone with her thoughts and her Creator among the delicate rows of plants. But then duty calls her away from her beloved garden and into a world she knows little about.

Grant Williams, a handsome young veterinarian, has left the city to open a rural practice among the Amish. Within minutes of meeting shy but feisty Sarah King, he is captivated by her.

As their feelings grow for one another, Sarah insists they can never be together. Marrying Grant would mean being uprooted from her home, her family, and her community. Throughout the cold Pennsylvania winter, with her garden tucked away until spring, Sarah begins crafting a quilt that illustrates her pain. Can anything lasting blossom from a love that's forbidden?
