## Speaking of Jesus: The Art of Not-Evangelism By Carl Medearis

Some of us fear moments when we need to defend our theology. Some of us seek them out. But we are seldom ready the way Jesus seemed to be ready. So how do we draw others to God in the midst of these ordinary conversations the way Jesus did?

In *Speaking of Jesus*, Carl Medearis draws on his experience of international reconciliation between Muslims and Christians to remind us of the heart of the matter: Jesus. Here he gives us tools, stories, and the foundation we need to move beyond “us” and “them” and simply talk about the One who changes it all.

As Carl writes, “While others are explaining and defending various isms andologies we’re simply pointing people to our friend. The one who uncovers and disarms. Who leads people right to himself. The beginning and the end of the story. A good story indeed.”

#### From the Back Cover

#### Quit defending Christianity.

Author Carl Medearis is not interested in keeping Christianity alive. Not one bit. Carl believes it has grown into something that is rarely attractive, frequently divisive, and all too often embarrassing. He believes you may feel this way too. In his new book, *Speaking of Jesus*, Carl gives us a wink and a grin and the permission to stop feeding this thing called Christianity. His offer is that doing so allows us the freedom to relax and feast on Jesus.
