Sadie Hoffmiller has always liked things to be just so. A place for everything and everything in its place. Order over chaos. And of all things Sadie should be able to control, her own wedding is at the top of the list. With the big day just three weeks away, Sadie is busily adding the perfect final touches to her wedding plans. The only person Sadie knows in San Francisco is her older sister, Wendy, whom she hasn't seen or heard from since their mother's funeral nearly fifteen years ago. Sadie has faced off with murderers and crooks in recent years, yet the potential of her sister reentering her life is both overwhelming and frightening.
