Quick Reference for the Civil Engineering PE Exam, 9th Ed By Michael R. Lindeburg PE

Quick Reference for the Civil Engineering PE Exam consolidates the most valuable and commonly used equations, figures, and tables from the *Civil Engineering Reference Manual*. Maximize your problem-solving efficiency and save time during the exam by having the most useful equations and data at your fingertips.

This book's extensive index quickly directs you to desired equations, figures, and tables. Find what you need without wading through paragraphs of descriptive text or solved problems. The *Quick Reference* is organized according to the companion *Reference Manual*—the two share chapter and section numbers—so you can easily access related supplemental material.
