"This book is very special in my life. It is the very first Wall Street book I ever read. After reading 1,200 additional finance books, The Battle for Investment Survival's principles and concepts are still valid for consistent success."

--Victor Sperandeo Author of Trader Vic on Commodities

The Battle for Investment Survival treats investors to a straightforward account of how to profit--and how to avoid profit loss--in what Loeb would describe as the constant tug-of-war between rising and falling markets.
