The Case for Faith Participant's Guide: A Six-Session Investigation of the Toughest Objections to Christianity By Lee Strobel, Garry D. Poole

In this small group Bible study, *The Case for Faith: A Six-session Investigation of the Toughest Objections to Christianity*, Lee Strobel discusses tough questions while addressing the most common objections to the Christian faith. Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session study, Strobel uses his journalistic approach to explore the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling video of personal stories and experts addressing these topics (*The Case for Faith DVD*, sold separately) combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: 1. The Challenge of Faith 2. Dealing with Doubts 3. Evil and Suffering, Part 1 4. Evil and Suffering, Part 2 5. Why Is Jesus the Only Way to God? 6. The Power of Faith
