## **The Honor Key: Unlock a Limitless Life** By Russell Evans

Russell Evans writes, "our relationship with God was restored with honor, and honor is the system God has built for blessing our relationships with Him and others." Honor affects every part of your life - your family, your job, your finances, and your church life. In fact, it affects everything. God has a great deal more for us than the narrow slice of life so many of us experience - more abilities, blessings, and inheritance. He wants us to experience heaven on earth - to live life and to live it abundantly. He wants you to operate in your gifts and abilities, but honor is the key that releases these things in your life. Honor is the foundation of the kingdom of God, and it unlocks the possibilities of heaven.
