The Luxe By Anna Godbersen

The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen.

Pretty girls in pretty dresses, partying until dawn.

Irresistible boys with mischievous smiles and dangerous intentions.

White lies, dark secrets, and scandalous hookups.

This is Manhattan, 1899.

Beautiful sisters Elizabeth and Diana Holland rule Manhattan's social scene. Or so it appears. When the girls discover their status among New York City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes, to the debonair bachelor Henry Schoonmaker, to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future.

With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear...

In a world of luxury and deception, where appearance matters above everything and breaking the social code means running the risk of being ostracized forever, five teenagers lead dangerously scandalous lives. This thrilling trip to the age of innocence is anything but innocent.

Gossip Girl meets the Gilded Age in this delicious and compelling novel, the first in the *New York Times* bestselling series from author Anna Godbersen.

Editorial Review

From Publishers Weekly

With a quote from *The Age of Innocence* as an epigraph and an enthusiastic blurb from the creator of *Gossip Girl* on its back cover, this lavishly produced debut makes no secret of its twin influences. The story opens in 1899 with the funeral of Elizabeth Holland, a well-bred beauty said to have plunged to her death in the Hudson River. The narrative then travels back several weeks, tracing the relationships and events that have led to the somber assembly. This tangled web includes not one but two sets of star-crossed lovers; an upstairs/downstairs romance; a scheming social climber; a bitter servant girl; and oodles of money, all set in a Edith Wharton via Hollywood vision of Old New York. The dialogue has its clunky moments, and the plot twist that drives the tale is telegraphed from the very start, but readers caught up in the fancy dress intrigue are unlikely to mind much: it's all part of the dishy fun. Needless to say, the ending paves the way for at least one sequel. Ages 14-up. (Dec.)

From Kirkus Reviews

A big, sumptuous tale of catty girls, dark secrets and windswept romance unfurls in this compulsively readable novel of late-19th-century New York City socialites. Godbersen weaves a tenuous web of deceit, backstabbing and pretense that follows four teens: Elizabeth Holland, a prim and proper lady of old-money society, is betrothed to one man, though furtively loves another; Henry Schoonmaker, a debauched playboy who must marry Elizabeth or be disinherited; Diana Holland, Elizabeth's younger sister who is in love with her fiancé; and Penelope Hayes, a member of the nouveau riche who will stop at nothing to win Henry's affections. As Elizabeth and Henry's wedding approaches, the spectacle unfolds in a wondrously grandiose scene, making for a fun, though not entirely unexpected dénouement. A delicious new twist along the *Gossip Girl* vein, readers will clamor for this sharp, smart drama of friends, lovers, lies and betrayal. (Fiction. YA)

Review

“Mystery, romance, jealousy, betrayal, humor, and gorgeous, historically accurate details. I couldn’t put The Luxe down!” (Cecily von Ziegesar, author of the #1 New York Times bestselling *Gossip Girl* series)

Users Review

From reader reviews:

Billy Benitez:

In other case, little men and women like to read book The Luxe. You can choose the best book if you appreciate reading a book. As long as we know about how is important a book The Luxe. You can add information and of course you can around the world by the book. Absolutely right, since from book you can realize everything!
