### **Editorial Review**

#### **About the Author**

Drew Temperante loves writing and singing songs. He spends time in summer playing accordion in a traveling children's puppet show. He also works at a bookstore and loves finding old funny books.

Susan Sandvig Walker has worked as a classroom teacher, nutritional therapist, personal trainer, and now is an author of children's books. She lives in the Wisconsin countryside with her husband, son, their sweet Lab, Honey, and a whole host of amazing woodland creatures. When she's not writing, she's busy hiking, biking, baking cupcakes or wetting a line to catch some fish.

Maxime Lebrun has loved to draw and color since she was a kid, watching clouds through the windows at school and drawing dinosaurs in her schoolbooks. She studied youth illustration and animation and received a degree from an art school in France, in a small place called Epinal, where she was actually allowed to draw dinosaurs everywhere. She has been working as a freelance illustrator for the past couple of years while living in London. She loves telling stories in images and playing with light and colors.
