### BSAVA Manual of Rabbit Medicine (BSAVA British Small Animal Veterinary Association) From BSAVA

Rabbits make up a considerable and growing proportion of the caseload in small animal practice, and both interest and knowledge in rabbit medicine and surgery has grown rapidly. In recognition of this, the BSAVA Manual of Rabbit Medicine and Surgery has been superseded by two separate volumes - the *BSAVA Manual of Rabbit Surgery, Dentistry and Imaging* and the *BSAVA Manual of Rabbit Medicine*.

There is an increased understanding of the pathology of common diseases and greater awareness both of new conditions affecting this species and of their response to both disease and treatment regimes. This new BSAVA Manual of Rabbit Medicine features new chapters such as 'The rabbit-friendly practice', 'Neoplasia', and 'Endocrine disease'. Other chapters have been updated and expanded, and the introduction of new authors has brought fresh insights and opinions to several topics. The authors provide a greater depth and breadth of coverage for practitioners seeking definitive and authoritative information to improve and refine the quality of veterinary care that they can provide for rabbits.

These two manuals now provide the most comprehensive and up-to-date coverage of all aspects of rabbit veterinary care currently available, in an easy-to-use, well illustrated format following the tried and tested BSAVA Manual template.

### **Editorial Review**

About the Author

#### **Anna Meredith MA VetMB PhD CertLAS DZooMed MRCVS**

Anna is Professor of Zoological and Conservation Medicine at the Royal (Dick) School of Veterinary Studies, University of Edinburgh, and Head of the Exotic Animal and Wildlife Service, and has over 20 years clinical and teaching experience with rabbits and other exotic pets. Anna lectures internationally on rabbits and many other aspects of exotic animal and wildlife medicine, and is a recipient of the BSAVA Blaine Award for her work in the advancement of rabbit medicine. She is co-editor and authors chapters in the *BSAVA Manual of Exotic Pets* and *BSAVA Manual of Rodents and Ferrets*.

#### **Brigitte Lord BVetMed (Hons) CertZooMed MRCVS**

Brigitte graduated with honours from the Royal Veterinary College, London, in 2002. After a period as an exotic animal locum and small animal assistant, she joined the Royal (Dick) Veterinary School in Edinburgh as a small animal intern. She was appointed the first RWF Rabbit and Zoo Animal Resident in the UK in 2004, based at Bristol Zoo and the University of Bristol. She ran a rabbit and exotic veterinary referral service in the south west and returned to R(D)VS in 2008 as a lecturer in rabbit medicine and surgery. Brigitte holds an RCVS certificate in Zoological Medicine and is working towards her diploma.

### **Users Review**

**From reader reviews:**

#### **Frances Carlton:**
