Life Is Elsewhere By Milan Kundera, Aaron Asher

The author initially intended to call this novel *The Lyrical Age*. The lyrical age, according to Kundera, is youth, and this novel, above all, is an epic of adolescence; an ironic epic that tenderly erodes sacrosanct values: childhood, motherhood, revolution, and even poetry. Jaromil is in fact a poet. His mother made him a poet and accompanies him (figuratively) to his love bed and (literally) to his deathbed. A ridiculous and touching character, horrifying and totally innocent ("innocence with its bloody smile"!), Jaromil is at the same time a true poet. He's no creep, he's Rimbaud. Rimbaud entrapped by the communist revolution, entrapped in a somber farce.

Editorial Review

Review

"I will say no more about this lacerating book except to urge it upon all who care about literature in our difficult era". -- Boston Globe

"Tender and unsparing..."Life Is Elsewhere is a remarkable portrait of an artist as a young man."-- "Newsweek" I will say no more about this lacerating book except to urge it upon all who care about literature in our difficult era."-- "Boston Globe" A sly and merciless lampoon of revolutionary romanticism...Kundera commits some of the funniest literary savaging since Evelyn Waugh polished off Dickens in "A Handful of Dust."-- "Time
