**NCLEX-RN Q&A (Princeton Review Series)** By Gayle Pearson R.N.

Nursing students have long asked for a book of questions and answers to complement the thorough science review found in The Princeton Review's **Cracking the NCLEX-RN** guides. Now with **NCLEX-RN Q&A**, they have the ideal practice aid to supplement their review. With hundreds of questions and worked-out solutions in each core clinical area, this guide is the ideal preparation tool for nurses preparing to take the licensure exam. Nurses and nurse scholars from all relevant specialty areas have collaborated in writing sample questions that precisely simulate the actual exam.

Included is a special introductory section that provides an overview of the exam with:

A breakdown of how many questions to expect on each subject  
Special, time-saving strategies for solving dosage problems  
Advice on how to answer delegation and management questions  
Techniques for taking the NCLEX-RN on a computer
