This book will be a collection of fantastic and horrifying photographs of gargoyles taken by avant-garde photographer f-stop fitzgerald (yes, that's his name and the spelling is correct), with a wonderful text by none other than the master of horror, stephen king. F-stop has captured gargoyles in all manner of poses, made all the more striking by the design by mark pollard. Through the use of gatefolds and full-bleed illustrations, these awesome creatures will seem practically to leap off the page. (4/5/88). UK YES
