One Person/Multiple Careers: A New Model for Work/Life Success By Marci Alboher

Are you a "slash"? With technology giving us the ability to work from anywhere and the nine-to-five grind becoming a thing of the past, more and more people are building careers filled with slashes.

From lawyer/chefs to police officer/personal trainers to mom/CEOs, these creative thinkers have discovered the antidote to boredom, burnout, job insecurity, and many other workplace woes. Filled with the stories of scores of those who have achieved financial and career success with "The Slash Effect," **ONE PERSON/MULTIPLE CAREERS** will show you how to:

- Balance multiple careers without feeling overworked, and still have time for friends and family
- Prepare a résumé, bio, or Web site that best presents your unique and varied talents
- Use your current career to help you cultivate slashes
- Negotiate a customized work arrangement with employers.

Editorial Review

From Publishers Weekly

For those already slashing through multifaceted professional lives, Alboher's collection of profiles of people juggling multiple roles may offer the comfort of knowing others are doing the same. For those recently separated from a job or seeking greater fulfillment from life, Alboher's fascination with people working through dual existences may reveal an alternate path to success. Like the psychotherapist/violin maker she interviews, Alboher has abandoned an easily described career as an attorney to become a journalist, author, speaker and writing coach. Her book is less about making career changes than changing how one defines a career and making adjustments for a more satisfying life. After focusing a bit too intently on how multilayered careers get their start, she segues into more action-oriented advice, including experimenting with different identities before making career-altering changes; how to keep income flowing; and how to market oneself once one adds a slash or two to one's job description. When the disparate threads of one's life are woven together in this way, she argues in this creative and satisfying guide, "the whole of you comes out." (Feb.)

Marci is now a regular contributor to the *New York Times*, a sought-after speaker, and a coach to aspiring writers and professionals in transition.

Users Review

From reader reviews:

Alvin Shaw:

Playing with family inside a park, coming to see the water world or hanging out with pals is thing that usually you could have done when you have spare time, and then why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love One Person/Multiple Careers: A New Model for Work/Life Success, it is possible to enjoy both. It is good combination right, you still need to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.

Molly Edwards:

Do you like reading a reserve? Confuse to looking for your favorite book? Or your book was rare? Why so many problem for the book? But any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but additionally novel and One Person/Multiple Careers: A New Model for Work/Life Success or maybe others sources were given knowledge for you. After you know how the great a book, you feel want to read more and more. Science guide was created for teacher or students especially. Those publications are helping them to increase their knowledge. In other case, beside science book, any other book likes One Person/Multiple Careers: A New Model for Work/Life Success to make your

spare time considerably more colorful. Many types of book like here.

Patricia Baker:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this One Person/Multiple Careers: A New Model for Work/Life Success can make you feel more interested to read.

Raymond Guajardo:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from your book. Book is composed or printed or highlighted from each source this filled update of news. In this particular modern era like at this point, many ways to get information are available for a person. From media social including newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just in search of the One Person/Multiple Careers: A New Model for Work/Life Success when you desired it?
