Patriots of Treason By David Thomas Roberts

TEA ANYONE? After decades of erosion of the U.S. Constitution, the United States is faced with a major constitutional crisis not seen since the Civil War. A president and his administration filled with scandals and plagued by economic woes surprisingly wins re-election to a second term largely based on an "October Surprise" and the promise of redistribution of the nation's wealth. The night he is re-elected, an assassination attempt throws America into chaos, resulting in riots, food shortages and violence across the country. When it is discovered the assassin has ties to the Tea Party, the administration sees its opportunity to quash its political opposition and launch a diabolical conspiracy to hide the truth of the assassin's real motives. The President and his minions attempt to keep the lid on the conspiracy by any means necessary, including issuing unconstitutional executive orders. Jack-booted federal agents are ordered to raid private citizens' homes to eradicate the Tea Party once and for all. After an ordinary citizen in Texas, a founder of a local Tea Party, is terrorized and held without due process, the governor of Texas dispatches iconic Texas legend Pops Younger to rescue him. The entire country becomes riveted in the suspense of the high-stakes chess game that pits the State of Texas and the Texas Rangers against the administration and the ATF that escalates to unprecedented proportions. An exciting and fast-paced political thriller, Patriots of Treason presents a very realistic 'what if' scenario that will keep you on the edge of your seat, regardless of your political persuasion.
