Red Country (First Law World) By Joe Abercrombie

A *New York Times* bestseller!

They burned her home.
They stole her brother and sister.
But vengeance is following.

Shy South hoped to bury her bloody past and ride away smiling, but she'll have to sharpen up some bad old ways to get her family back, and she's not a woman to flinch from what needs doing. She sets off in pursuit with only a pair of oxen and her cowardly old step father Lamb for company. But it turns out Lamb's buried a bloody past of his own. And out in the lawless Far Country the past never stays buried.

Their journey will take them across the barren plains to a frontier town gripped by gold fever, through feud, duel and massacre, high into the unmapped mountains to a reckoning with the Ghosts. Even worse, it will force them into an alliance with Nicomo Cosca, infamous soldier of fortune, and his feckless lawyer Temple, two men no one should ever have to trust . . .

RED COUNTRY takes place in the same world as the First Law trilogy, *Best Served Cold*, and *The Heroes*. This novel also represents the return of Logen Ninefingers, one of Abercrombie's most beloved characters.

First Law Trilogy

The Blade Itself
Before They Are Hanged
Last Argument of Kings

Novels in the First Law world

Best Served Cold
The Heroes
Red Country

Editorial Review

Review

"Pointed, driven, and sharp." ***Locus on Red Country***

"Terrific fight scenes, compelling characters (some familiar, some new), and sardonic, vivid prose show Abercrombie at the top of his game."

Publishers Weekly (Starred Review) on Red Country

"Magnificent, richly entertaining" ***Time on The Heroes***

"Imagine *The Lord of the Rings* as directed by Kurosawa." ***Lev Grossman, Wall Street Journal on The Heroes***

"[Abercrombie has] begun breaking his own rules. And succeeding wildly at it. ... [R]arely has Abercrombie had so much fun while rollicking through his colorful cast's foibles and witty dialogue - and rarely has he dished out so much straight-for-the-heart poignancy." ***The A.V. Club***

"New, fresh, and exciting." ***The Independent (UK)***

"Exhilarating... Abercrombie's knack for wit and grit holds your attention throughout, and his eye for character means that there's heart as well as muscle." ***SFX (UK)***

"Abercrombie writes fantasy like no one else."?

The *Guardian* (UK)

About the Author

Joe Abercrombie is the *New York Times* bestselling author of *Red Country* and the First Law trilogy: *The Blade Itself*, *Before They Are Hanged*, and *Last Argument of Kings*. He is a full time writer, and occasional freelance film editor, who lives in Bath, England with his wife and three children.

Users Review

From reader reviews:

Annette Puente:

Book is usually written, printed, or descriptive for everything. You can know everything you want by a publication. Book has a different type. As you may know that book is important issue to bring us around the world. Close to that you can your reading proficiency was fluently. A e-book Red Country (First Law World) will make you to become smarter. You can feel much more confidence if you can know about almost everything. But some of you think this open or reading the book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you trying to find best book or suitable book with you?

Steven Weathers:

Information is provisions for anyone to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is inside the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Red Country (First Law World) as your daily resource information.

Angela Thomas:

This book untitled Red Country (First Law World) to be one of several books this best seller in this year, that's because when you read this guide you can get a lot of benefit into it. You will easily to buy this kind of book in the book retailer or you can order it by using online. The publisher on this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smart phone. So there is no reason to your account to past this e-book from your list.

Linda Cooper:

Red Country (First Law World) can be one of your nice books that are good idea. We recommend that straight away because this book has good vocabulary that can increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort to put every word into satisfaction arrangement in writing Red Country (First Law World) however doesn't forget the main position, giving the reader the hottest along with based confirm resource data that maybe you can be certainly one of it. This great information could drawn you into new stage of crucial thinking.
