Sociology of North American Sport By George H. Sage, D. Stanley Eitzen

Now in its tenth edition, *Sociology of North American Sport* offers a compact yet comprehensive and integrated perspective on sport in North American society. Bringing a unique viewpoint to the subject, George H. Sage and D. Stanley Eitzen analyze and, in turn, demythologize sport. This method promotes an understanding of how a sociological perspective differs from common-sense perceptions about sport and society, helping students to understand sport in a new way.

Editorial Review

Review

"The book takes an expansive approach that uses sports as a lens to view some of the key areas of North American society. These complex interconnectivities display how sports are not simply the games we play, but rather reflect and recreate the social realities that exist all around us. The authors have a strong writing style that is incredibly user-friendly. They don't talk over the student's head, but likewise, they don't dumb the material down."--Jeffrey Ratcliffe, *Drexel University*

"This book is comprehensive and covers a wide variety of important topics." - Greg Kane, Eastern Connecticut State University

"The theoretical approaches are great stepping off points for students, and topics they can easily connect and understand."--Maureen Smith, *California State University-Sacramento*

About the Author

George H. Sage is Professor Emeritus of Sociology and Kinesiology at the University of Northern Colorado.

D. Stanley Eitzen is Professor Emeritus of Sociology at Colorado State University.

Users Review
