Editorial Review

From Publishers Weekly

This omnibus volume brings together Rosenberg's first fantasy trilogy (The Sleeping Dragon; The Sword and the Chain; The Silver Crown), which if not terribly original boasts energy, wit and a strong moral sensibility. An amiable group of college role-playing gamers enters an alternate world, the land of Pandathaway, where the treachery of their philosophy professor, Arthur Simpson Deighton, launches them on a deadly quest for a magical talisman that would give Deighton almost unlimited power. At the same time, the students seek to rid their new world of the tyranny of the Slaver's Guild. So the dilettante Karl Cullinane becomes the shrewd and mighty warrior Barak; Andrea Andropolous becomes the potent wizard Lotana (as well as Karl's wife); and James Michael Finnegan rises from his wheelchair to be permanently mobile as the dwarf Ahira Bandylegs. Along the way, they acquire some memorable allies, such as the sarcastic young dragon Ellegon, the barely sane ex-slave Tennetty and a girl, Aeia, who ought to be learning to read instead of becoming a deft hand with a crossbow. The group faces an implacable enemy in Ohlmin, the master slaver, and a somewhat uncertain future as their prowess and knowledge forever change Pandathaway. Fast-paced and intelligent, this reprint should gain new fans for Rosenberg.

Users Review

From reader reviews:

Mark Giordano:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each book has different aim or perhaps goal; it means that e-book has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they consider because their hobby is definitely reading a book. How about the person who don't like studying a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you will require this The Guardians of the Flame.

Katherine Ouellette:

This The Guardians of the Flame book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is information inside this reserve incredible fresh, you will get data which is getting deeper anyone read a lot of information you will get. That The Guardians of the Flame without we know teach the one who looking at it become critical in considering and analyzing. Don't always be worry The Guardians of the Flame can bring whenever you are and not make your case space or bookshelves' turn out to be full because you can have it in your lovely laptop even mobile phone. This The Guardians of the Flame having very good arrangement in word as well as layout, so you will not feel uninterested in reading.

Gail Kennedy:

Reading can be called imagination hangout, why? Because while you are reading a book specially book entitled The Guardians of the Flame your brain will drift away through every dimension, wandering in every aspect that maybe unidentified for but surely will become your mind friends. Imaging each word written in a reserve then become one application form conclusion and explanation that will maybe you never get ahead of. The The Guardians of the Flame giving you yet another experience more than blown away your thoughts but also giving you useful facts for your better life with this era. So now let us teach you the relaxing pattern here is your body and mind are going to be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Ok Lord:

What is your hobby? Have you heard that will question when you got scholars? We believe that that issue was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you know that little person like reading or as studying become their hobby. You should know that reading is very important and book as to be the thing. Book is important thing to add you knowledge, except your personal teacher or lecturer. You will find good news or update concerning something by book. Different categories of books that can you go onto be your object. One of them is this The Guardians of the Flame.
