## The Secret History By Donna Tartt

"Powerful...Enthralling...A ferociously well-paced entertainment."

THE NEW YORK TIMES

Richard Papen arrived at Hampden College in New England and was quickly seduced by an elite group of five students, all Greek scholars, all worldly, self-assured, and, at first glance, all highly unapproachable. As Richard is drawn into their inner circle, he learns a terrifying secret that binds them to one another...a secret about an incident in the woods in the dead of night where an ancient rite was brought to brutal life...and led to a gruesome death. And that was just the beginning....

"A smart, craftsman-like, viscerally compelling novel."

TIME

Selected by the Book-of-the-Month Club

A NEW YORK TIMES NOTABLE BOOK

### Editorial Review

From Publishers Weekly

Tartt's much bruted first novel is a huge (592 pages) rambling story that is sometimes ponderous, sometimes highly entertaining. Part psychological thriller, part chronicle of debauched, wasted youth, it suffers from a basically improbable plot, a fault Tartt often redeems through the bravado of her execution. Narrator Richard Papen comes from a lower-class family and a loveless California home to the "hermetic, overheated atmosphere" of Vermont's Hampden College. Almost too easily, he is accepted into a clique of five socially sophisticated students who study Classics with an idiosyncratic, morally fraudulent professor. Despite their demanding curriculum (they quote Greek classics to each other at every opportunity) the friends spend most of their time drinking and taking pills. Finally they reveal to Richard that they accidentally killed a man during a bacchanalian frenzy; when one of their number seems ready to spill the secret, the group--now including Richard--must kill him, too. The best parts of the book occur after the second murder, when Tartt describes the effect of the death on a small community, the behavior of the victim's family and the conspirators' emotional disintegration. Here her gifts for social satire and character analysis are shown to good advantage and her writing is powerful and evocative. On the other hand, the plot's many inconsistencies, the self-indulgent, high-flown references to classic literature and the reliance on melodrama make one wish this had been a tauter, more focused novel. In the final analysis, however, readers may enjoy the pull of a mysterious, richly detailed story told by a talented writer. 75,000 first printing; BOMC and QPB selections.

From Library Journal

This well-written first novel attempts to be several things: a psychological suspense thriller, a satire of collegiate mores and popular culture, and a philosophical bildungsroman. Supposedly brilliant students at a posh Vermont school (Bennington in thin disguise) are involved in two murders, one supposedly accidental and one deliberate. The book's many allusions, both literary and classical (the students are all classics majors studying with a professor described as both a genius and a deity) fail to provide the deeper resonance of such works as Umberto Eco's *The Name of the Rose*. Ultimately, it works best as a psychological thriller. Expect prepublication hype to generate interest in this book and buy accordingly. Previewed in Prepub Alert, LJ 5/1/92.

From Kirkus Reviews

The Brat Pack meets *The Bacchae* in this precious, way-too-long, and utterly unsuspenseful town-and-gown murder tale. A bunch of ever-so-mandarin college kids in a small Vermont school are the eager epigones of an aloof classics professor, and in their exclusivity and snobbishness and eagerness to please their teacher, they are moved to try to enact Dionysian frenzies in the woods. During the only one that actually comes off, a local farmer happens upon them--and they kill him. But the death isn't ruled a murder--and might never have been if one of the gang--a cadging sybarite named Bunny Corcoran--hadn't shown signs of cracking under the secret's weight. And so he too is dispatched. The narrator, a blank-slate Californian named Richard Pepen chronicles the coverup. But if you're thinking remorse-drama, conscience-masque, or even semi-trashy who'll-break-first? page-turner, forget it: This is a straight gee-whiz, first-to-have-ever-noticed college novel. Hampden College, as a body, was always strangely prone to hysteria. Whether from isolation, malice, or simple boredom, people there were far more credulous and excitable than educated people are generally thought to be, and this hermetic, overheated atmosphere made it a thriving black petri dish of

melodrama and distortion." First-novelist Tatt goes muzzy when she has to describe human confrontations (the murder, or sex, or even the ping-ponging of fear), and is much more comfortable in transcribing aimless dorm-room paranoia or the TV shows that the malefactors anesthetize themselves with as fate ticks down. By telegraphing the murders, Tatt wants us to be continually horrified at these kids- -while inviting us to semi-enjoy their manneristic fetishes and refined tastes. This ersatz-Fitzgerald mix of moralizing and mirror-looking (Jay McInerney shook and poured the shaker first) is very 80's--and in Tatt's strenuous version already seems dated, formulaic. *Les Nerds du Mal*--and about as deep (if not nearly as involving) as a TV movie. -- *Copyright ©1992, Kirkus Associates, LP. ## Users Review

### From reader reviews:

#### **Barbara Goodman:**

Why don't make it to be your habit? Right now, try to ready your time to do the important work, like looking for your favorite publication and reading a reserve. Beside you can solve your problem; you can add your knowledge by the e-book entitled *The Secret History*. Try to the actual book *The Secret History* as your buddy. It means that it can be your friend when you really feel alone and beside regarding course make you smarter than previously. Yeah, it is very fortuned for yourself. The book makes you more confidence because you can know everything by the book. So , we should make new experience along with knowledge with this book.

#### **Mark Johnson:**

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is inside the former life are challenging to find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take *The Secret History* as the daily resource information.

#### **Charles Edwards:**

Your reading 6th sense will not betray a person, why because this *The Secret History* e-book written by well-known writer we are excited for well how to make book which might be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still question *The Secret History* as good book not simply by the cover but also by content. This is one reserve that can break don't determine book by its handle, so do you still needing one more sixth sense to pick that!? Oh come on your reading through sixth sense already told you so why you have to listening to yet another sixth sense.

#### **Juanita Bey:**

That reserve can make you to feel relax. This book *The Secret History* was vibrant and of course has pictures

on the website. As we know that book The Secret History has many kinds or genre. Start from kids until teens. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading this.
