## African Religions & Philosophy By John S. Mbiti

*African Religions and Philosophy* is a systematic study of the attitudes of mind and belief that have evolved in the many societies of Africa. In this second edition, Dr Mbiti has updated his material to include the involvement of women in religion, and the potential unity to be found in what was once thought to be a mass of quite separate religions.

Mbiti adds a new dimension to the understanding of the history, thinking, and life throughout the African continent. Religion is approached from an African point of view but is as accessible to readers who belong to non-African societies as it is to those who have grown up in African nations.

Since its first publication, this book has become acknowledged as the standard work in the field of study, and it is essential reading for anyone concerned with African religion, history, philosophy, anthropology or general African studies.

## **Editorial Review**

### **About the Author**

Canon Professor John Mbiti, an Anglican priest from Kenya, taught Theology and Religion for many years at Makerere University in Uganda. After that he served as Director of the Ecumenical Institute Bossey, of the World Council of Churches near Geneva, Switzerland. He has been visiting professor at many universities in Europe, America, Canada and Australia and has travelled widely in many countries. Professor Mbiti has published over 400 articles, reviews and books on theology, religion, philosophy and literature. Currently he is part-time professor at the University of Bern, and parish minister in Burgdorf, Switzerland. He is married to Verena and they have four children: Kyeni, Maria, Esther and Kavata.

## **Users Review**

### **From reader reviews:**

#### **Craig Chivers:**

It is absolutely proper. Right now, try to closer together with your book. Knowledge or info that you take for that, you can give for each other; you could share all of these. Book African Religions & Philosophy has simple shape however you know: it has great and large function for you. You can appear the enormous world by wide open and read a e-book. So it is very wonderful.

#### **Martin Norwood:**

The book untitled African Religions & Philosophy is the reserve that recommended to you to read. You can see the quality of the publication content that will be shown to you. The language that writer use to explained their ideas are easily to understand. The article author was did a lot of investigation when write the book, and so the information that they share for you is absolutely accurate. You also could possibly get the e-book of African Religions & Philosophy from the publisher to make you a lot more enjoy free time.

#### **Shari Villa:**

It is possible to spend your free time to see this book this e-book. This African Religions & Philosophy is simple to deliver you can read it in the area, in the beach, train along with soon. If you did not possess much space to bring the actual printed book, you can buy the actual e-book. It is make you much easier to read it. You can save typically the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

**Christopher Scoville:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this African Religions & Philosophy can make you truly feel more interested to read.
