Chesapeake Blue (Chesapeake Bay Book 4) By Nora Roberts

The final novel in #1 *New York Times* bestselling author Nora Roberts' stunning Chesapeake Bay Saga, where the Quinn brothers must return to their family home on the Maryland shore, to honor their father's last request...

It's been a long journey. After a harrowing boyhood with his drug-addicted mother, Seth had been taken in by the Quinn family, growing up with three older brothers who'd watched over him with love.

Now a grown man returning from Europe as a successful painter, Seth is settling down on Maryland's Eastern Shore, surrounded once again by Cam, Ethan, and Phil, their wives and children, and all the blessed chaos of the extended Quinn clan. Finally, he's back in the little blue-and-white house where there's always a boat at the dock, a rocker on the porch, and a dog in the yard.

Still, a lot has changed in St. Christopher's since he's been gone—and the most intriguing change of all is the presence of Dru Whitcomb Banks. A city girl who has opened a florist shop in this seaside town, she craves independence and the challenge of establishing herself without the influence of her wealthy connections. In Seth, she sees another kind of challenge—a challenge that she can't resist.

Editorial Review

From Library Journal

After a five-year absence, Seth Quinn has returned home from Europe a world-renowned artist. He's ready to settle down in the same picturesque town on the Bay where the three step-brothers who raised him now live. Soon, Seth meets beautiful, independent Druscilla "Dru" Whitcomb Banks and falls in love with her almost immediately. Life takes on an idyllic glow until someone from his past begins blackmailing him again. Roberts, a best-selling author and the recipient of countless honors, including numerous RITAs as well as the Romance Writers of America Lifetime Achievement Award, has once again crafted a poignant and often humorous tale. True to style, she has also thrown in just enough of the paranormal to tantalize. Guaranteed to please the many fans who were waiting for Seth's story, this sequel to the original trilogy (Sea Swept, Rising Tides, Inner Harbor) is also an excellent stand-alone title. Libraries of all sizes will want to add this book to their collections and make sure they have the other three books in the series, too. Shelley Mosley, Glendale P.L., AZ
