Jinx By Meg Cabot

It's not easy being Jinx.

Jean Honeychurch hates her boring name (not Jean Marie, or Jeanette, just . . . Jean). What's worse? Her all-too-appropriate nickname, Jinx. Misfortune seems to follow her everywhere she goes—even to New York City, where Jinx has moved to get away from the huge mess she caused in her small hometown. Her aunt and uncle welcome her to their Manhattan town house, but her beautiful cousin Tory isn't so thrilled. . . .

In fact, Tory is hiding a dangerous secret—one that could put them all in danger. Soon Jinx realizes it isn't just bad luck she's been running from . . . and that the curse she has lived under since the day she was born may be the only thing that can save her life.

Editorial Review

From School Library Journal

Grade 7 Up—Jean Honeychurch is so unlucky that even her family calls her Jinx. To escape an unpleasant situation with a boy who refuses to let her end their relationship, Jinx moves from Iowa to Manhattan to live with her aunt and her family in their swanky Upper East Side townhouse. It's no surprise that the klutzy, small-town 16-year-old doesn't fit in with über-chic cousin Tory and her friends, and she definitely doesn't share their fondness for drugs and alcohol. Tory, who has been practicing witchcraft for some time, soon realizes that Jinx also has the gift and invites her cousin to join her coven. But Jinx knows the dangers of playing with magic and refuses. Tory sees Jinx's snub as a threat and plots against her. Though she wants to leave magic behind, Jinx must learn to harness the mysterious powers that are her birthright before Tory does too much damage. Cabot creates believable conflict and avoids being too fantastical, as Tory's mental instability is more dangerous than her Wiccan powers. In the vein of *Avalon High* (2006) and "The Mediator" series (both HarperCollins), the author delivers her signature blend of romance and wit, successfully combining upper-crust chick-lit and a tad of the supernatural into an entertaining potion that is sure to please her fans and draw in new readers.—*Emily Anne Valente, New York Public Library*

From [Booklist](#)

Cabot has written another fast-paced teen pleaser, this time about a teenager with supernatural powers and her cousin who craves them. Since the day she was born, bad luck seems to have followed Jinx Honeychurch. Even after her parents send her to live with her aunt, uncle, and cousins in New York City, Jinx seems plagued by bad luck. Then Jinx's cousin Tory reminds her that their great-great-great-grandmother, a witch who was burned at the stake, had special talents that have been passed on to one granddaughter in each generation. Jinx, a preacher's daughter, has no intention of competing with Tory for that honor, until she discovers Tory's sinister plans. With a cauldron full of jealousy, cute boys, ample cash, and a typical high-school setting, this story has plenty of popular appeal. This isn't great literature, but it is great fun. Bradburn, Frances

About the Author

Meg Cabot was born in Bloomington, Indiana. In addition to her adult contemporary fiction, she is the author of the bestselling young adult fiction series *The Princess Diaries*. She lives in Key West, Florida, with her husband.

Users Review

From reader reviews:

Sabra Fitzgerald:

Book is to be different for every grade. Book for children till adult are different content. We all know that that book is very important for all of us. The book Jinx was making you to know about other understanding and of course you can take more information. It is very advantages for you. The book Jinx is not only giving you far more new information but also for being your friend when you feel bored. You can spend your current spend time to read your e-book. Try to make relationship while using book Jinx. You never truly feel lose out for everything if you read some books.

Eula Johnson:

The book Jinx has a lot associated with on it. So when you read this book you can get a lot of advantage. The book was compiled by the very famous author. This articles author makes some research just before write this book. This particular book very easy to read you can get the point easily after reading this book.

Frank Quintana:

Why? Because this Jinx is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will zap you with the secret the item inside. Reading this book adjacent to it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

Richard King:

With this era which is the greater man or who has ability to do something more are more special than other. Do you want to become certainly one of it? It is just simple approach to have that. What you must do is just spending your time very little but quite enough to experience a look at some books. On the list of books in the top listing in your reading list is Jinx. This book and that is qualified as The Hungry Inclines can get you closer in getting precious person. By looking up and review this reserve you can get many advantages.
