### Krishnamurti's Notebook By Jiddu Krishnamurti

When Krishnamurti's Notebook first became available in 1976, it was soon realized that it was a spiritually unique document giving his perceptions and experiences and describing his states of consciousness. It is a kind of diary but one that is little concerned with the day to day process of living, though very much aware of the natural world.

### **Editorial Review**

#### **About the Author**

Krishnamurti, Jiddu born of middle-class Brahmin parents, was recognized at age fourteen as the coming World Teacher. Krishnamurti claimed allegiance to no caste, nationality or religion and was bound by no tradition. He traveled the world and spoke spontaneously to large audiences until the end of his life at age ninety. He said man has to free himself of all fear, conditioning, authority and dogma through self-knowledge and this will bring about order and psychological mutation.
