**Law, Justice, and Society: A Sociolegal Introduction** By Anthony Walsh, Craig Hemmens

Film and television interpretations of the legal system have captured the imagination of the American public, but how does the law *really* work? More specifically, how does it shape other social institutions and interact with other academic disciplines? Blending legal studies with social science, *Law, Justice, and Society: A Sociolegal Introduction*, Second Edition, addresses these issues from a distinctive sociological point of view.

Renowned scholars Anthony Walsh and Craig Hemmens cover many important subjects including the origins of the law, the history and development of the American legal system, the sociology of law, court structure, and the difference between civil and criminal law. Updating coverage for the second edition, the authors also discuss many new topics (legal realism, distributive and procedural justice, the politics of law and the legislative process, restorative justice, and gay marriage and the Defense of Marriage Act).

An accessible, lively, and affordable overview of the law, its eventful history, and its sociological implications, *Law, Justice, and Society*, Second Edition, is ideal for introductory law and society courses in political science, sociology, and criminal justice and legal studies departments.

## FEATURES OF THE NEW EDITION

- \* **Presents a brand-new chapter** on the limits of social control and the law (Chapter 10)

- \* **Covers gender, race, and comparative law** (the only text in this market to cover all three)

- \* **Integrates enhanced pedagogical features** throughout (a detailed table of contents; chapter outlines; lists of key terms; lists of relevant websites; and new tables, charts, and graphics)

- \* **Adds coverage of many new topics:**

- John Rawls's theory of justice (Chapter 1: Law: Its Function and Purpose)
- Environmental justice (Chapter 7: Civil and Administrative Law)
- Punishment philosophies (Chapter 9: The Law and Social Control)
- Social movements (Chapter 11: The Law and Social Change)

\* **Incorporates discussion of the Obama administration** into Chapter 13:  
Racial Minorities and the Law

\* **Supplemented by a comprehensive Instructor's Resource CD** (available to adopting instructors), which contains a Test Bank and PowerPoint-based lecture slides

## **Editorial Review**

### Review

"The authors of *Law, Justice, and Society* obviously understand the significance of introducing citizens to the idea that law is a basic social institution and that to study law is to study one's own society, heritage, and values. Any textbook on the subject which can inspire interest in, and understanding of, the study of law from this perspective is on the right track."--Mike Bogner, *Chadron State College*

### About the Author

**Anthony Walsh** is Professor of Criminal Justice at Boise State University.

**Craig Hemmens** is Department Head and Professor, Department of Criminology and Criminal Justice, Missouri State University.

## **Users Review**

### **From reader reviews:**

#### **Joseph Lunsford:**
