Manual Washington de medicina interna ambulatoria (Spanish Edition) By Thomas M. De Fer MD, Heather F. Sateia MD

La 2.^a edición del **Manual Washington® de medicina interna ambulatoria** ofrece una guía para el diagnóstico y tratamiento de los problemas médicos más comunes encontrados en el entorno ambulatorio. Con el formato conciso y claro que caracteriza a la **serie Washington®**, cubre desde hipertensión y diabetes hasta trastornos de sueño, pasando por nutrición y el cuidado del paciente con cáncer.

Como en su primera edición, este texto nace con la vocación de ser un complemento a la 34.^a ed. del **Manual Washington® de terapéutica médica**, una de las obras médicas más vendidas en todo el mundo.

Características destacadas:

- Cobertura completa de los padecimientos más comunes en el entorno ambulatorio incluyendo dermatología, otorrinolaringología, neurología y psiquiatría, oftalmología, tratamiento del dolor, geriatría, alergias, abuso del alcohol y hábito tabáquico, entre otras especialidades.
- Actualización exhaustiva y basada en evidencia de cada capítulo, con la autoría de más de 100 expertos y especialistas del Hospital Barnes-Jewish de la Washington University School of Medicine.
- Tablas y algoritmos de decisión para facilitar el diagnóstico y tratamiento.

Editorial Review

Users Review

From reader reviews:

Nick Jansen:

What do you with regards to book? It is not important to you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? All people has many questions above. They should answer that question mainly because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this particular Manual Washington de medicina interna ambulatoria (Spanish Edition) to read.

Robert Bell:

Playing with family within a park, coming to see the water world or hanging out with good friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Manual Washington de medicina interna ambulatoria (Spanish Edition), you could enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its referred to as reading friends.

Rita Carter:

That reserve can make you to feel relax. This specific book Manual Washington de medicina interna ambulatoria (Spanish Edition) was colourful and of course has pictures around. As we know that book Manual Washington de medicina interna ambulatoria (Spanish Edition) has many kinds or genre. Start from kids until young adults. For example Naruto or Investigator Conan you can read and believe you are the character on there. Therefore not at all of book usually are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading this.

James Fulk:

Some people said that they feel uninterested when they reading a reserve. They are directly felt that when they get a half areas of the book. You can choose the actual book Manual Washington de medicina interna ambulatoria (Spanish Edition) to make your personal reading is interesting. Your own personal skill of reading skill is developing when you including reading. Try to choose easy book to make you enjoy to learn

it and mingle the impression about book and reading especially. It is to be 1st opinion for you to like to open up a book and go through it. Beside that the guide Manual Washington de medicina interna ambulatoria (Spanish Edition) can to be your new friend when you're really feel alone and confuse using what must you're doing of the time.
