Editorial Review

Review

"It has extensive practical appendices that serve as helpful references to abbreviations, anxiety and pain management, clinical oral structures, dental professional organisations, infection control and many more. The other unique feature of this dictionary is its coloured thumb tabs, which allow for prompt locating of definitions. Being an A5 paperback, it is an excellent resource that can handily be carried around. I would highly recommend it to any student studying dentistry. It is also a good reference for other members of the dental team."
