Pattern Making (Portfolio Skills) By Dennic Chunman Lo

An introduction to the basic principles of pattern cutting, this practical book shows students how to interpret the human form and look at clothing through the eyes of a designer rather than a consumer. As well as explaining the proportions of human anatomy, the book introduces key tools and then takes the reader from simple pattern-cutting ideas to more advanced creative methods. Finally, the book looks at the work of fashion designers who are masters of pattern cutting, such as Comme des GarCons, John Galliano, Yohji Yamamoto and Issey Miyake. With photographs of final and dissected garments, along with CAD/CAM diagrams to explain how those pieces were cut, the book will gradually build an understanding of pattern cutting, and enable students to experiment and create exciting patterns for their own designs.

Users Review

From reader reviews:

Lawrence Gregory:

Information is provisions for those to get better life, information presently can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider when those information which is from the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Pattern Making (Portfolio Skills) as your daily resource information.

Debbie Siegel:

Playing with family in the park, coming to see the sea world or hanging out with buddies is thing that usually you might have done when you have spare time, subsequently why you don't try point that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Pattern Making (Portfolio Skills), you are able to enjoy both. It is fine combination right, you still wish to miss it? What kind of hangout type is it? Oh can occur its mind hangout fellas. What? Still don't get it, oh come on its identified as reading friends.

Teresa Dillard:

Is it an individual who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Pattern Making (Portfolio Skills) can be the respond to, oh how comes? A book you know. You are thus out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?

Clarice Stephens:

Many people said that they feel uninterested when they reading a book. They are directly felt that when they get a half elements of the book. You can choose typically the book Pattern Making (Portfolio Skills) to make your personal reading is interesting. Your current skill of reading expertise is developing when you such as reading. Try to choose straightforward book to make you enjoy to study it and mingle the impression about

book and studying especially. It is to be first opinion for you to like to open a book and examine it. Beside that the book Pattern Making (Portfolio Skills) can to be your brand new friend when you're feel alone and confuse using what must you're doing of this time.
