Taming the Highlander (The MacLerie Clan Book 1) By Terri Brisbin

Lady Jocelyn MacCallum had always believed she would marry for love. But the price of her brother's freedom was to become fearsome Connor MacLerie's new bride — a bargain that could cost Jocelyn her life.

From the moment she looked into Connor's sternly handsome face, Jocelyn began to hope that the rumors surrounding his first wife's death were false. His reputation was as wild and untamed as the Scottish moors. Would she find a way to reach the man beneath that forbidding exterior?

Laird Connor MacLerie needs a new wife. However, since many in Scotland believed that he played a role in the mysterious death of his first wife, there is a distinct dearth of women willing to wed him. Now in order to save her brother, who has been taken hostage by Connor, and her clan, who desperately needs the food and men Connor offers as an additional wedding bonus, Jocelyn MacCallum agrees to marry the "Beast of the Highlands." As Jocelyn sets about earning a place for herself in her new home, she learns more about her enigmatic new husband. Soon what began as a reluctant marriage of convenience becomes something quite different--and far more passionate. A sharp-tongued and sharp-witted heroine clashes romantically with a dark and dangerously sexy hero in Brisbin's latest captivating medieval romance. Expertly laced with danger and sweetened with sensuality, *Taming the Highlander* is an absolute delight. *John Charles*
