## **Editorial Review**

From School Library Journal

Grade 1-4 Walter Wangerin's *The Bible: Its Story for Children* (Rand McNally, 1981) and Catherine Marshall's *Story Bible* (Crossroad, 1982) are hard to top, but this new book of Bible stories has merit, too. The scope of coverage for the patriarchs, prophets and kings of the Old Testament and the life and teachings of Jesus is extensive, and there are good highlights of Paul's life and other events in Acts. Some material on the Epistles and Revelation and a tiny sample of Psalms and Proverbs are also included. All is drawn together into a consistent, well-constructed narrative and written in a lively, easily understood style which still retains the dignity of the original. However, a Christian bias is occasionally present in the imaginative amplification of some passages. Sentences of moderate length and a rich but reasonably familiar vocabulary should suit upper elementary readers. Younger children will enjoy hearing the short, vivid stories read aloud. The 365 sections indicate use as a daily Bible study or devotional. Although the text is in double columns, the print is large and clear, and illustrations of various sizes liven every page. The luminous artwork is realistic, expressive and well researched in detail. Scripture citations are provided for each section. Pat Pearl, First Presbyterian Church Lib . , Martinsville, Va.

## **Users Review**

**From reader reviews:**

**Raymond Childers:**

The book *The Children's Bible in 365 Stories* make you feel enjoy for your spare time. You may use to make your capable far more increase. Book can to get your best friend when you getting anxiety or having big problem using your subject. If you can make studying a book *The Children's Bible in 365 Stories* to become your habit, you can get far more advantages, like add your capable, increase your knowledge about a number of or all subjects. You can know everything if you like start and read a e-book *The Children's Bible in 365 Stories*. Kinds of book are several. It means that, science book or encyclopedia or other folks. So , how do you think about this reserve?

**Bobby Townsend:**

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a expertise or any news even a problem. What people must be consider when those information which is from the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you obtain the unstable resource

then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take The Children's Bible in 365 Stories as the daily resource information.

**George Lehman:**

Precisely why? Because this The Children's Bible in 365 Stories is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the publication store hurriedly.

**Arlene Miller:**

This The Children's Bible in 365 Stories is great publication for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can say no rambling sentences in it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having The Children's Bible in 365 Stories in your hand like obtaining the world in your arm, facts in it is not ridiculous one particular. We can say that no e-book that offer you world within ten or fifteen tiny right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt that?
