Curriculum, Assessment and Instruction for Students with Disabilities (The Wadsworth Special Educator Series) By June Lee Bigge, Colleen Shea Stump, Michael Edward Spagna, Rosanne K. Silberman

This book combines curriculum and instruction studies with assessment, and assessment is very popular in higher education today. New laws in special education focus on assessment, and the new tools and forms are given here in this text. Strategies and practical applications for teaching special education are combined in one source. The theories for teaching exceptional learners and the assessment applications to do it are merged for the special education major and the elementary education major just taking their one mandatory introductory course.
