## **Editorial Review**

From [Booklist](#)

Following *Because of Mr. Terupt* (2010), Mr. Terupt's class is reunited and, having bonded over their experience of nearly losing their incredible teacher, closer than ever. This year, the "fall" he undergoes is a happy one: he falls in love! The kids are tasked with planning the wedding, amid being introduced to new books and navigating their own personal issues. As before, each shares the narration, with his or her own chapters told with distinctive voice and style. This sensitive progression of the story introduces more mature concepts like smoking, menstruation, and first love, but does so quite gently. Grades 4-7. --Heather Booth
