Peer Review Best Practices: Case Studies and Lessons Learned By Jonathan H. Burroughs, Robert Marder

Peer Review Best Practices: Case Studies and Lessons Learned will help you transform peer review theory into best practice. This book and CD-ROM set is built on contemporary peer review design and demonstrates how hospitals have used those theories to tackle real peer review challenges. Twenty case studies cover topics ranging from fixing your peer review system to tracking and trending data to reconciling peer review conflicts. This resource will help you measure physician competence, improve physician performance, minimize bias, standardize your peer review process, conduct effective peer review, and comply with Joint Commission requirements such as FPPE, OPPE, core competencies, and more.

Editorial Review

About the Author

Robert J. Marder, MD, CMSL, is the vice president of The Greeley Company, a division of HCPro, Inc., in Marblehead, MA. He brings more than 25 years of healthcare leadership and management experience to his work with physicians, hospitals, and healthcare organizations across the country. Having performed many roles in senior hospital medical administration and operations management in academic and community hospital settings, Marder has consulted, authored, and presented on a wide range of healthcare leadership issues, including effective and efficient peer review, physician performance measurement and improvement, hospital quality measurement systems and performance improvement, and more.

Jonathan H. Burroughs, MD, FACPE, CPE, FACEP, CMSL, is a senior consultant at The Greeley Company working with medical staffs and boards throughout the country in the areas of governance, credentialing, privileging, peer review and performance improvement, medical staff development planning, strategic planning, physician performance, and behavior management.

Users Review
